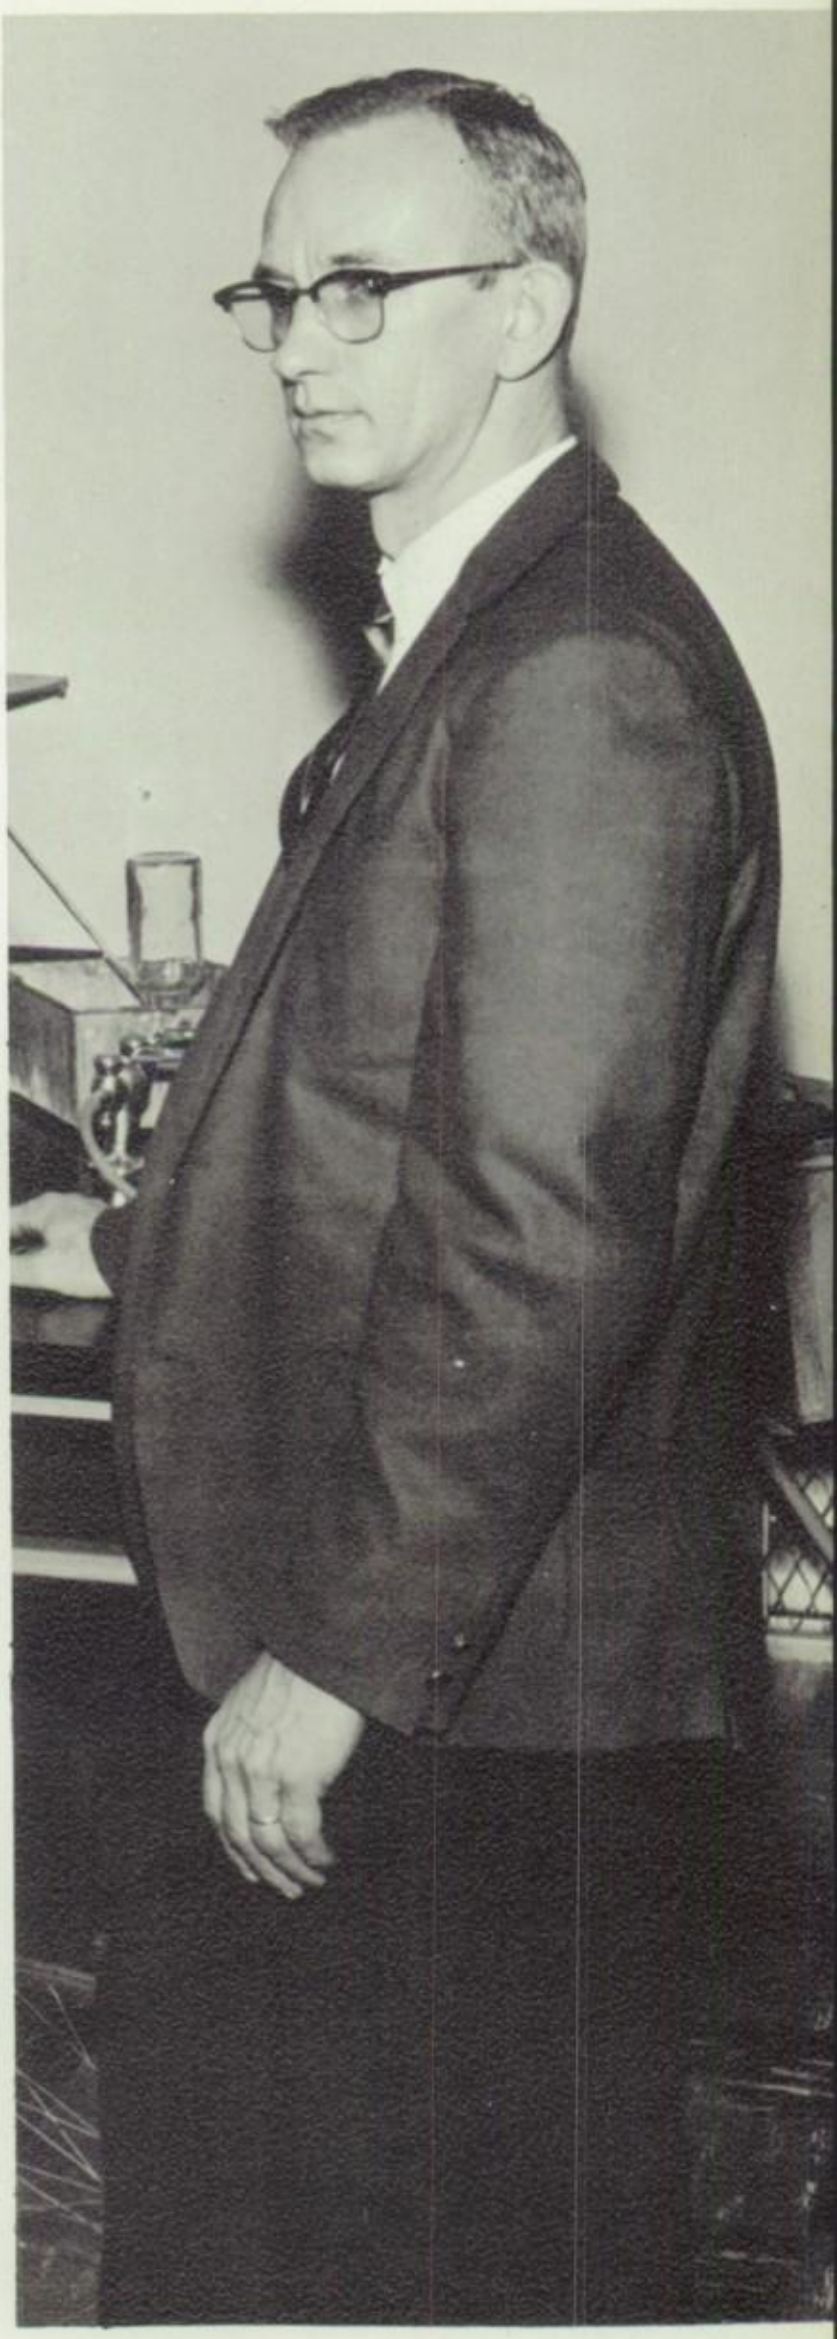
Dedication

To you, Mr. Gould, we dedicate
the 1965 La Saltianna
to acknowledge your patience and persistence--
from the accuracy developed in the chemistry laboratory
to the skillful manipulations displayed in Industrial Arts.
For the academic student
you stimulated an awareness to the hidden wonders
found in the vast scope of science.
For the vocational student
you afforded personal satisfaction found in achievements
from simple projects to complicated stage settings.
For all of us at S.J.H.S.
you--as Chairman of the Scholarship Committee,
as Instructor for the home-bound student,
as Stage Crew supervisor, and as Athletic Director--
have proven the value of a nurtured relationship
between student and teacher.

Camera finds Mr. Gould in Chemistry Laboratory (top) and Industrial Arts Shop (below).



We come to S. J. H. S. with a basic elementary knowledge of academic subjects. We are excited and eager to adjust to a larger and more detailed scale of learning. As each year is met and completed, realization of the needs for increased application and organization comes to each of us. There are assignments to be concentrated on, tests to be passed, projects to be completed, and grades to be earned. Though discouragements confront us, we progress with an inward drive and new endeavor--often after encouragement from a generous teacher. Our achievements accumulate through the advancing years and our Academic education Grows.

SALTSBURG'S PROGRESSIVE

Irma and Mr. Sell compare supply orders.

Dear Seniors:

As the educational program in our schools has rapidly evolved, its goals have been variously defined as preparation for higher study, preparation for vocational endeavors, and in a broad sense preparation for life itself. At the present time the philosophy of our educational program can be summed up in two main concepts: the developing of the individual to the optimum of his ability and the fostering of the qualities needed for constructive citizenship.

It is in whatever manner we may have contributed to the promotion of these concepts in your particular case, that makes the years you spent in Saltsburg High School a rewarding experience to your teachers and me.

John R. Coulson

Dear Seniors:

The past twelve years have meant much in helping us to learn, not only such required courses as English and Government, but the basic principles of truth, honesty, and loyalty which must be learned to complement our education and even our very lives.

We have been led to a better understanding of these things by loving parents, devoted teachers and by our fellow students in our daily activities.

There will always be a place for us in this world as long as we are willing not only to benefit from those who have set before us examples to follow, but also if we are willing to earn the place we wish to make for ourselves.

Ernest D. Sell

SOMEWHERE

There's a place for us,
Somewhere a place for us.
Peace and quiet and open air
Wait for us--Somewhere.
There's a time for us,
Some-day a time for us.
Time together with time to spare.
Time to learn, time to care.
Some-day, somewhere.
We'll find a new way of living,
We'll find a way of forgiving,--
Somewhere.
There's a place for us,
A time and place for us.
Hold my hand and we're half - way there.
Hold my hand and I'll take you there.
Some-how, Some-day, Somewhere.

As we begin to prepare for the future we leave behind us the memories of our high school days. Among them are our Freshman Dance, "The Candy Cane Shuffle"; "The Happy Heart Hop", the Sophomore Christmas Dance; "Pilgrim's Promenade", our Junior Thanksgiving Dance; and the "Haunted Hop", the Senior Halloween Dance. The Junior-Senior Prom, "Moonlight and Roses", was a huge success and high-lighted our treasured memories.

We have established credit as a class participating in yearly school events. We have engaged in athletics to experience competition which will face us in establishing a career. We will unite our academic force with all of our other experiences as a basis for meeting the challenges that we will encounter.

JUNIORS CLIMAX THEIR YEAR

We, the class of 1966, looking forward to our Senior year, know that we are in the process of building a sound foundation, in this, our Junior year.

We have worked academically, socially, and athletically to achieve both honor and fame for Saltsburg Joint High School. One of this year's highlights has been the Thanksgiving Dance, which was a huge success in every respect. The climax, however, was the Junior-Senior Prom, which took much preparation and truly tested our abilities as individuals and as a class.

It has been through the eyes of our instructors that we have scanned back through the past to discover that "Knowledge is power." In this respect, we the Juniors hope to prepare ourselves for the demands of a complex society.

SOPHOMORES ARE PROUD

As we began our Senior High years as Sophomores we had visions of great expectations of things to come. We ordered our class rings in the fall. Time passed quickly and we sponsored the annual Christmas dance, "Santa's Shindig." Many classmates participated in the athletic teams, cheerleading squad, the band, Glee Club, and Operetta.

We were especially proud of our football heros Bill Boring, Andy Ghiardi; and Ron Townsend. Linda Cup and Toni Annecchini were cheerleaders. Shannon McBryar and Nancy Rose were Majorettes. Our hardwood hustlers included Joe Cindric, Ron Boring, Ron Townsend; and Huey Bartolini.

During the winter our rings arrived and as we wear them we will be reminded of all the memorable times we had as Sophomores. Now we look forward to our Junior year which will open new doors to our future.

FRESHMEN HONOR SENIORS

We the class of 1968 have enjoyed a most exciting Freshman year. The boys ended both their football and basketball seasons with respectable records. Reed Cyphert, Rolly Young, Barry Puzak, and Mike Honeycutt contributed much to the Jr. High football team. Ed Peffer, Rolly Young, Bob King, and Bill Pearson scored high on the basketball court. The girls were also represented in our school activities. Mary Corridoni and Olivia Del Favero were Cheerleaders, and several others were in the band.

The most exciting activity that our class undertook was the Sweater Hop, which took place on February 3, 1965. Many hours of planning and decorating resulted in numberous compliments from the audience of townspeople. Alice Kurant and Bob MacBlane were crowned King and Queen at our "Dance of the Royal Hearts." After the entertainment, dancing followed in the cafeteria.

Of course, we are all looking forward to our next step of the ladder--our Sophomore year. We are eager to compete in Varsity sports and also continue our social and academic growth. We all hope that our Sophomore year will be just as exciting, if not more so, than was our Freshman year. However, we will always cherish the memories of our Freshman year at S.J.H.S.

To be able to get along with people and to understand them is a necessary goal for each of us to anticipate and to achieve. Our first experiences in social adjustment begin in the home with the family. As we become of age and enter grade school we discover that numerous other adjustments are also required. Although these early steps toward compatibility are very important, those that we take as high school students, are much more significant since they must prepare us for the future. If we are active at club meetings, attend dances, or participate in school performances, our association with others will be less difficult but more rewarding; Thus as we mature, our Sociability will Grow.

GLEE CLUB

The Girls Glee was initiated two years ago for the benefit of the Sophomore girls. They meet twice weekly with Mr. Dawson as director. They learn to read the music; they work toward developing personal talents; they prepare selections for performances. The Glee Club's participation in the annual Christmas and Spring Concerts is appreciated at Saltsburg Joint High School.

Senior Four: B. Porch, A. Kurant, L. Chicka, K. Kopchick.

SENIOR FOUR

The Senior Four, comprised of Lois Chicka, Kathleen Kopchick, Alice Kurant and Betsy Porch have participated in both school and community entertainment since they were in seventh grade. Mr. Dawson assumed the sponsorship of the group this year and practices with them every Friday after school. They enjoy developing original routines and gestures for comical selections, but they specialize in harmonizing semi-classical songs.

Mixed Chorus practices 4-part music for Spring Concert.

Musically-inclined upperclassmen of S.J.H.S. may belong to the Mixed Chorus which meets three times a week with Mr. Dawson as instructor. They practice a great many types of songs. For our Christmas program their performance included songs from other countries, seasonal lullabies, folk songs, and traditional favorites. As an added attraction Mr. Dawson played "Chopsticks" on the piano in his inimitable style as the chorus blended "Twas The Night Before Christmas."

They presented selections from the Broadway musical "Gypsy" at the Spring Concert. Mr. Dawson also directed the selections for the Baccalaureate and Commencement services.

INTRICATE FOOTWORK FOR HALF TIME SHOW!

This year was filled with pleasure and tedious practice for our high stepping Majorettes. Besides working diligently at planning routines for all the football games, our girls were kept marching and twirling at the many parades held during the year. They led the band and the many "spooks" at the Halloween Parade in October. They performed for the football Pep Rally. At Blairsville they participated in the Veterans Day Parade. Though there was no snow, they helped lead Santa Claus into our town in December. They finally ended their '65 marching season with the Memorial Day Parades in Saltsburg and in Slickville.

YEARBOOK STAFF ENDEAVORS

CO-EDITORS
LINDA CORRIDONI
PATRICIA COLEMAN

Planning and organizing a Yearbook require much time and thought. In the early fall the Staff meets to consider new ideas which might be used to make our book ingenious and distinctive. The first decisions include arranging the cover, division pages, and table of contents to develop our adopted theme.

Next-Senior portraits, homeroom pictures, and shots of social functions and sports must be scheduled. Interviewing Faculty and Senior members precedes composing individual write-ups. Resumes of social events and club activities must be assigned and completed by the Staff.

Page layouts determine the size and amount of pictures along with the printed copy needed.

Each paragraph and picture must be reconsidered; each page must be reconstructed and drawn to scale; and each division must be reviewed thoroughly. Thus our two editors and advisor combine and revise material, representing all students in their academic, social, and athletic endeavors.

Yearbook workers have sincerely attempted to make this La Saltianna a book of memories, characteristic of all phases of school life here at S.J.H.S.

The second year of the Saltsburg Chapter of F. T. A. has progressed under the zealous supervision of Mrs. Ruth Roth, Mrs. Mildred Rankin, and Mrs. Thelma Hartman. The members conducted a successful bake sale in January to pay for the pins given to the Seniors. The F. T. A. has sincerely appreciated the teaching experiences given to them this year when substituting for the faculty. If the teachers were called for other responsibilities, members were designated to teach those classes. Through the year, the advisors have shown some informative movies on the art and techniques of teaching.

FUN AND FROLIC AT OUR DANCES.

As these pictures illustrate, students from Junior and Senior High attend almost every school dance held in the cafeteria. Each class plans one annual dance. Cheerleaders sponsor frequent dances after football and basketball games.

JUNIOR-SENIOR PROM

The Juniors created the atmosphere of "Moonlight and Roses" by converting the stage into a lovely rose garden. A white picket fence on both sides of a centered rose trellis archway provided an appropriate entrance. Alternating strips of pink and white crepe paper extended from the fence and an artificial stone wall, which enclosed the garden, and continued toward the center of the ceiling producing a spiral effect. Music for the Grand March and dancing was furnished by The Casuals.

Following the refreshments served in the cafeteria, many of the couples attended the After Prom Party at Ridge Lanes. A breakfast was prepared by the PTA at 5:00 A.M.

Grand March - 7:30 - 8:00 P.M.
Dancing - 8:00 - 12:00 P.M.
Refreshments - 10:00 - 12:00 P.M.
Post Prom Party - 12:00 - 5:00 A.M.

Each couple in the Grand March was introduced by Sophomore President, Nick Cup.

Why are sports such a vital part of school? Our athletic program "ties" the students together, develops and maintains their physical fitness, and stresses good sportsmanship. School spirit would disappear with no teams to support, whether their players were victorious or defeated. The encouraging chants of our cheerleaders and the loyal school songs performed by our band would no longer be heard. The Trojans would never again win glory for our Alma-Mater nor would their loyal fans ever again know the excitement and tension of a close game. Team participants learn through experience the value of team work, intense practice and acquired skills. Each athlete realizes that Growth in Athletics is gradual and challenging --but attainable.

OUR SENIOR

CHEERLEADERS

S.J.H.S. was proud to have eight Varsity Cheerleaders, under the direction of Mrs. Carol Weimer, to encourage its athletes during the 1964-65 session. Throughout the football season they executed new cheers and led the student body at the Pep Rallies. These girls should be praised for their originality and ambition to arouse school spirit through cheers and skits. Students will long remember the solemn procession and burial of the Elders Ridge Ram. The squad entered the Indiana County Cheering Contest held at Indiana H.S., November 20, 1964. They received many applauds as they introduced their original cheer, "Onward Trojans." These versatile girls have been working to gain funds to send members of the squad to the Western Pennsylvania Cheerleading-Athletic Camp.

The win-loss record of a football team does not give evidence of a team's ability. This year, the Trojans posessed those all-important intangible desires--the desire to play, desire to work, and the desire to win. Through these feelings, the determined Trojans cracked the win column with a spectacular victory over Shannock Valley. The hard running of All-County Sophomore Bill Boring and the defensive strength of Larry Sutyak and Jim Duke were highlights of the gridiron. The '65 season will expose the value of this year's experience.

VARSITY BASKETBALL

S.J.H.S. claims twelve Varsity Basketball players this 1964-65 season, with one returning letterman, Dave Ercole. Bob MacBlane and Dave Baker are the only other boys on the team having Varsity experience. The Varsity consists of three Seniors, five Juniors, and four Sophomores. Ercole is the main ball handler for the Men of Troy, with MacBlane and Pizer assisting him as the team's forwards. Baker and Sutyak alternate at the pivot position and as corner men. Baker also jumps center for the Trojans. Although the league record doesn't show them in the win column, the boys displayed courage, good sportsmanship, ability, and a desire to win.

The "future Varsity Five" through a great team effort were able to win several games. A young team composed mainly of Sophomores hustled to make every game a close decision. High scorers were E. Bartolini, R. Townsend, and J. Cindric. If they maintain their driving efforts as a team, they will be the future winning team of S.J.H.S.

JUNIOR HIGH BASKETBALL

To learn the rules and how to dribble, make foul shots, pick 'n roll, pivot, etc., the Junior High boys practiced eagerly and seriously. They spent much time learning to hold a 3-2 defense and making more difficult shots. While coaching these boys, Mr. Fenoglietto has instilled in them a greater interest in working together. Highlighting the season were Freshmen E. Peffer, R. Young, M. Honeycutt, and B. Pearson. Through playing as a team, they were able to chalk up several deserving wins. These young athletes show great promise for the future Varsity teams.

An assembly last fall sponsored by Kiski's Wrestling Team aroused our interest in this sport. Immediately a group of boys from grades 8 through 12 started "conditioning" practice under the supervision of "Casey" Lytle. At the present, their matches are mainly intramural, but hopes are high for a position in the WPIAL conference.

GIRLS' VARSITY BASKETBALL

With the encouragement and guidance of Miss Gail Emanuel, (I. S. C.), the Trojanettes entered the season with tedious practice and hopes for an all-victory slate. The school boosted their morale by purchasing new uniforms.

The yearbook goes to press before all the games are played, but the accompanying scores show continuing valor and determination for which the Trojanettes have been distinguished in the district. We are sorry to lose seven players who are graduating, but promising underclassmen are hopeful.

Later the girls will participate in the Ormsby Tournaments in Pittsburgh where they will compete with top teams of the area.

Miss Emanuel checks individual shooting records. Manager Lois Chicka, Coach Miss Gail Emanuel, Manager Linda Corridoni.

Many schools do not have a J. V. team--thus our seemingly limited schedule. However, our J. V.'s attended every game and became the cheering section for our Varsity girls. They also observed new maneuvers and tactics which they hope to develop in strengthening next year's team.

WE HOPE YOU ENJOYED

THE 1965 LA SALTIANNA

The Yearbook Staff has attempted to take you, the readers, through the 1964-1965 school year as it occurred here at S. J. H. S. The numerous pictures and informative descriptions were intended to give insight and understanding of our school life. Your enjoyment is our reward.

As we come to the end of our yearbook, so we, as Seniors, come to the end of "Our Year!"

To one of the greatest teachers at S/H.S. It really has been fun having you for a teacher, and I even learned something. Sorry to be such a disappointment at times. I don't know what gets into me. Thank you for everything.

May God Bless You Always.

To one of the greatest teachers at Saltsburg. I will never forget you. And I've prepared for some day I may drop in on you.

A former pupil,

Mrs Roth,

I wish I could type this, then maybe you might could read it. Well I made it, surprise! All thing aside though you are "the" best teacher I have had this year as well as best friend. I hope you always remember the fun and work we have done because I won't

Love ya always

James C. Duke

Mrs. Roth,

To my favorite teacher. It really has been great being in your classes. Thank you for teaching me all you have. I will never forget you and I consider you as more than a teacher.

Love,

Karen

Mrs. Roth,
You're one of the most dedicated and excellent teachers that I've ever had. I am so glad that I had you as my typing teacher. I could never repay you for all the wonderful help and guidance that you've given me and all the extra attention no matter how busy you were. All I can say is thank you from the bottom of my heart and May God be with you and your family.

Mrs. Roth,
To one of the nicest teachers it has been my pleasure to know, I sincerely thank you for all you have done.
P.S. You forgot to yell at us in office practice class.

Love,
Beverly Francisco

Mrs. Roth,
You'll never know how beneficial that typing course you gave at noon while I was in eighth grade. I don't know what I could have done without it. I also feel you have taught me a great deal this year. At least my letters and charts will look presentable.
I'm sorry I couldn't squeeze shorthand into my schedule. I feel it would have been helpful.
Thanks for all the help and understanding.

Regards,
Patricia Coleman
